WORK EXPERIENCE

Full Stack Developer Intern Jun 2026 – Jul 2026
Astonish InfoTech Pvt. Ltd. | Trichy, Tamil Nadu, India

- Engineered backend REST APIs for HamsiDevIntel Pro using Java and Spring Boot, powering GitHub profile analysis, ATS resume evaluation, and career recommendations for end users.
- Integrated MySQL database with secure user authentication, enabling structured data storage and role-based access control across the full-stack application.
- Built responsive frontend interfaces with HTML, CSS, and JavaScript; conducted manual testing and debugging prior to live deployment on Render (hamsidevintel.onrender.com).

Full Stack Development Intern Dec 2025 – May 2026
BigSiBucks Innovation Private Limited | Chennai, Tamil Nadu, India

- Designed and developed a fully responsive Smart Booking App using HTML, CSS, and JavaScript, ensuring seamless compatibility across desktop and mobile devices.
- Strengthened frontend UI consistency and booking interface usability through iterative debugging, layout refinement, and cross-browser testing.
- Deployed the Smart Booking App to production on Vercel (smart-booking-app-jade.vercel.app), demonstrating full ownership from development to live release.
